---	---

LOCATION OF POSITION:

TRAINING SITE COMMAND, FLORENCE MILITARY RESERVATION, ARIZONA

APPLICATIONS MUST BE MAILED OR HAND CARRIED TO: Human Resources Office, 5636 E. McDowell Road, Bldg M5710, Phoenix, AZ 85008-3495. Applications must arrive by close of business (1530 MST) on the closing date shown above. Applications postmarked on the closing date will be considered late and will not be accepted. The Human Resources Office will not accept applications that are mailed at government expense or forwarded through an internal mail system. Faxed applications will not be accepted. **Electronic applications are only accepted for those employees who are mobilized. NO BINDERS OR BOUND DOCUMENTS PLEASE.**

INSTRUCTIONS FOR APPLYING: Individuals applying for Excepted Technician positions may submit Optional Form 612 (Optional Application for Federal Employment), or a Resume. Whatever form of application that is chosen it must contain the Announcement Number, Title and Grade(s) of the job being applied for. Personal information must include full name and address (including ZIP Code), Day and evening phone numbers (with area code), Social Security Number, Country of citizenship and Highest Federal civilian grade held (also include job series and dates held). Education information must include; High School Name, city and State and dates of diploma or GED, Colleges or Universities Name, city and State, Majors type and years of any degrees received, and total semester or quarter hours earned (if no degree show total credits earned and indicate whether semester or quarter hours). Work experience information should be limited to either paid or nonpaid experience directly related to the position that the individual is applying for and must include; Job Title, Duties and accomplishments, Employers name and address, Supervisors name and phone number, starting and ending dates, hours per week and salary. In addition to the above described information all applications should include AZNG Forms 335-1-R (Military Brief), and SF 181 (Ethnicity and Race Identification). Applications will be accepted without these forms. However, applications may not receive an adequate evaluation if these forms are not submitted. **Applications must contain a completed Optional Form 306 (Declaration for Federal Employment) and AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement).**

EVALUATION PROCESS: Each applicant must **FULLY SUBSTANTIATE** on their application how they meet the requirements listed in the specialized experience area; otherwise applicant will be considered unqualified for this position. Applications will be evaluated solely on information supplied in the application (OF 612) or resume. Experience will be evaluated based on relevance to the position for which application is being made. Include job titles, starting and ending dates (month and year), hours per week, salary, duties/accomplishments, employer(s) name and address, and supervisor(s) name/phone number and permission to contact.

CONDITION OF EMPLOYMENT: Prior to appointment into this position, selectee must be a member of the Arizona (ARMY) National Guard (DCSOPS) and be able to qualify for the following

AFSC/MOS/AOC/BRANCH: CMF: 92,21,63

KNOWN PROMOTION POTENTIAL: NONE

Acceptance of this position requires participation in the Direct Deposit/Electronic Funds Transfer Program.

EQUAL OPPORTUNITY: The Arizona National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, membership or nonmembership in an employee organization or any other non-merit factor.

AREA OF CONSIDERATION: This position is the Federal/Excepted Civil Service and is **open to current members of the Arizona Army National Guard and those eligible to become members.** Individual selected will receive a

Permanent Appointment subject to the completion of a one-year trial period. If a Permanent technician is selected, they will remain in that status. Acceptance of a Federal Excepted technician position of over 179 days in length will cause termination from the Selected Reserve Incentive Program (BONUS). Individual selected will be required to take a pre-employment medical screening which will be paid for by the Agency. **PCS funds are not authorized.**

NOTE: Applications must contain a completed Optional Form 306 (Declaration for Federal Employment).

NOTE: Applications must contain a completed AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement).

NOTE: Must be able to lift up to 50 pounds.

NOTE: Work schedule is Thursday through Sunday, with 4-10 hour shifts. Applicant will need to utilize Military Leave, Comp Time or Annual Leave on weekends when Drill conflicts with this schedule.

NOTE: Human Resources Office is the office that will officially approve the selection for a job offer.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED FOR SUCCESSFUL PERFORMANCE IN THIS POSITION:

Each applicant should fully justify on their application how they meet each KSA listed below using AZNG Form 335-2-R to reference the justification.

1. Practical knowledge of electronic and electrical equipment, components, and theory in order to identify problems and perform repairs and testing.
2. Basic knowledge of standard troubleshooting for common recurring kinds of defects.
3. Skill in reading and applying basic schematics and wiring diagrams to assigned tasks.
4. Knowledge of test procedures and skill in operating test equipment such as multi-meters, voltmeters, ohmmeters, and oscilloscopes.
5. Knowledge of carpentry tools and techniques for fabricating items made from wood or similar substances.
6. Ability to operate heavy equipment, such as tractors, backhoes and graders used in the maintenance of the range.
7. Knowledge of standard shop practices and safety procedures.

SPECIALIZED EXPERIENCE: Must have 12 months experience which demonstrates the ability to install, repair, calibrate, and test electronic equipment using knowledge of electronics theory and principles. Must be able to interpret electrical charts, diagrams, technical manuals and schematics, and be skilled in the use of precision measurement instruments and standards.

BRIEF JOB DESCRIPTION: This position is located at Florence Military Reservation, Arizona. The purpose of the position is to repair, install, operate, and maintain a variety of Army Standard Integrated Target Systems, such as Armor Moving Target Carriers (AMTC), Infantry Moving Target Carrier Systems (IMTS), Target Holding Mechanism Tank Gunnery (THMTG) and Enhanced Remote Target Systems (ERETS). Operates computer-controlled target system consoles and develops scenarios for operation. Operates and performs maintenance on power generating and portable power source equipment. Arms, detonates, and/or disarms pyrotechnics and demolition devices. Fabricates and/or repairs metal, wood and cardboard targets. Operates and maintains vehicles assigned to the shop. Inspects and tests Army Standard Integrated Target systems, using wiring diagrams, schematics, technical manuals and test equipment (i.e. voltmeters, multiplexers, miniature consoles and digital multi-meters. Isolates faulty components and determines extent of repair or replacement required to restore power, signal or correct mechanical operations. Repairs or replaces exposed, broken, cut or damaged cables. Installs thermal target equipment to include, but not be limited to AC or DC powered thermal heating panels. Tests and troubleshoots thermal target panels, using a digital multi-meter equipped with a thermal probe. Develops training scenarios for down range target systems, using the computer controlled integrated target systems control panel. Monitors control panel for correct operation, reports, and corrects malfunctions. Operates and performs operational and organizational maintenance on gasoline and/or diesel powered generating systems and various portable power sources used in support of range control and target systems. Prepares demolitions in conjunction with radio and/or computer controlled target system mechanisms. Operates and maintains wheeled vehicles assigned to the shop. Ensures before, during, and after that operational checks are performed and required logbook information is completed after each use of a vehicle. Operates and maintains equipment used for such purposes as berm repair and maintenance, grass cutting, or otherwise maintaining the range area in order to keep ranges operational to the maximum extent possible on a year round basis. Performs other duties as assigned.

SELECTING SUPERVISOR: COL HUGO E. SALAZAR
